NOTE Certified VC/VCO- types shall exclusively be equipped with high security locks according to EN 1300 which are listed both in the approved technical documentation and in the lock guide ECB•S R01. The certification of the safes expires when used with the electronic high security lock type FinKey.

Wall safes of the series VC/VCO have to be installed in accordance with the technical documentation.

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark as proof of conformity according to ISO/IEC 17065.
