NOTE Certified *St. Gallen Strong* models shall exclusively be equipped with high security locks according to EN 1300 which are listed both in the approved technical documentation and in the lock guide ECB•S R01. The locks of the "FinKey" series are therefore not permitted.

The types of the series have a weight of $\leq 1,000$ kg and therefore have to be equipped with an anchoring assembly including material in accordance with the technical documentation.

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark as proof of conformity according to ISO/IEC 17065.
